

Health and Social Care transition work – summer 2016

Section 1

1. Find definitions for the following words:
 - Growth
 - Development
 - Physical development
 - Intellectual development
 - Emotional development
 - Social development

2. Find out the key events for each of the life stages listed below
 - Birth and infancy 0-3 years
 - Childhood 4-9 years
 - Adolescence 10-18 years
 - Adulthood 19-65 years
 - Later adulthood 65+ years

Section 2

For the next section you must base the work on a chosen celebrity who must be over the age of 40.

1. Map out a timeline of the key events in your celebrities life
2. For each event say if it is expected or unexpected
3. Explain the impact of each event on the relevant areas of PIES (physical, intellectual, emotional, social)
4. What sources of support might have been accessed during each event? E.g. family/doctor/counsellor etc.
5. Give predictions about what will happen in each area of PIES as the person progresses through the next few years of their life.
